

INTERCONTINENTAL TRUCK BODY

Detail / Reassembly Assistant

JOB SUMMARY

The Detail / Reassembly Assistants are the final employees to work on units at ITB. They are responsible for cleaning and detailing completed units, reassembling parts after the unit has been painted and installing the final components onto the units.

COMPANY OVERVIEW

Intercontinental Truck Body has been building unique quality products for over 45 years. Our mission is to be driven by innovative engineering, uncompromising quality and superior customer service and our goal is to meet our customers' needs while exceeding their expectations. With each customer relationship, we strive to deliver the unmatched value and excellence making us a leading manufacturer of custom truck bodies, trailers and enclosures. ITB is a dynamic company with an open mind and lots of opportunity for growth. We value creativity, reliability, and open minded thinking.

LOCATION

Our Coaldale, AB plant is located just off of highway 3 and is an easy commute from Lethbridge or Taber. We currently have 90 employees and are continuing to expand.
